

ELECTRONIC REFUNDS

From the Campbell University Business Office

During the past year, Campbell University has been using electronic refunding (“e-refund”) as one method of disbursing credit balances to our students. The overall response to this method has been very positive.

Effective August 2011, e-refund will be used for all refunds. If you have already enrolled in e-refund, no further action is necessary. If you have not yet enrolled, and you expect to have a refund, please enroll as soon as possible.

To enroll in e-refund:

- Go to the WebAccess login screen by clicking [here](#).
- Select “login”, then enter your ID and password.
- On the secure WebAccess page, select the CASHNet link.
- In CASHNet, select “e-refund”.
- Complete the banking information.

Further information about e-refund and refund procedures may be found at the Business Office page, [here](#) .
